

SKIP THE GALA. HIT THE TRAIL.

Summer **ANTI-EVENT FUNDRAISER**

Donate by July 10th

The sun is shining, the trails are calling, and the last thing you want to do is squeeze into stiff formalwear and sit in a windowless ballroom.

Instead, you're invited to spend a summer evening on the patio, at a campsite, or on your favorite trail.

No venue fee, no catering costs, and no printed programs.

100% of your donation goes directly to services to help Jefferson County families break the cycle of generational poverty.

Just like climbing a Colorado 14er, breaking the cycle of poverty takes grit, the right tools, and reliable support. When you give to JPP, you provide the "village" parents need to summit their highest milestones.
