\$40.63 PER HOUR

42.1k

Jefferson County residents live below the poverty line.

8%

of Jeffco children are experiencing poverty.

Child poverty costs the US

\$1 TRILLION ANNUALLY

with welfare costs around \$500 billion.

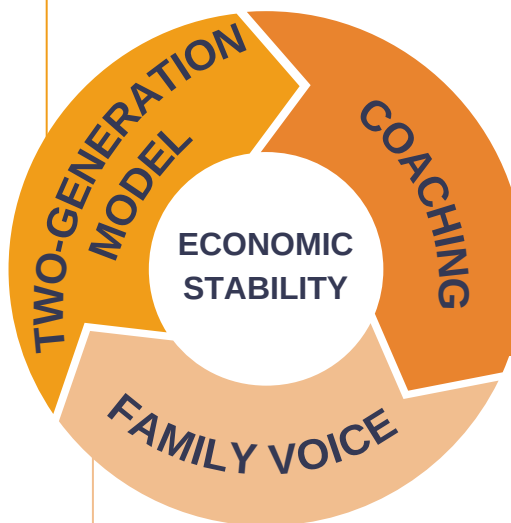

1 in 5

Jeffco residents utilize a government assistance program (SNAP, TANF, CCAP) to meet basic needs.

THE SOLUTION:

PATH TO ECONOMIC STABILITY

We utilize a two-generation approach to support the whole family with comprehensive, wraparound services to help them achieve economic self-sufficiency.

Our coaches work one-on-one with families to set goals, navigate challenges, and find pathways to success.

Families know what's best for them. Their voices shape our program, ensuring support that truly meets their needs.
